OUR CAPABILITY STATEMENT

MedLink Health

OUR TEAM

- Our team consists of board-certified Physicians, Anesthesiologists and Certified Registered Nurses, who are actively affiliated with prestigious local hospitals, outpatient environments, and office-based care.
- Our dedicated staffing models provide adequate medical coverage for any size practice, and all team members are equipped with the expertise and skills to react decisively when faced with critical situations.
- Our providers are specialists in pre-operative assessment and provide comprehensive review of past medical history, assess current health status and obtain any additional testing that is required to help keep patient safe while in our care.

MedlinkHealth, a pathway for both employer and employee.

COMPANY OVERVIEW

Amani Enterprises Inc. "DBA" MedlinkHealth is a certified small business that provides Medical Management support to US federal agencies and private clients in the US and overseas. Our diverse team has experience across all components of medical technology and program management initiatives.

We offer comprehensive solutions to medical needs, including staffing, recruiting, billing, and continuous quality improvement initiatives. Our services are innovative and cost-effective, with a multifaceted focus on effective medical care, pain management, operational efficiencies, and patient-centered care that is respectful and responsive to individual patient preferences, needs, and values.
